

MASTER SUPPLY AGREEMENT

Contract C-2291 - Excerpt for AP Demo

Buyer	Acme Data Systems
Supplier	Northstar Network Systems LLC
Effective date	January 1, 2026

7.2 Freight and Delivery Charges

Supplier may invoice actual third-party freight separately from the purchase-order line value when the shipment is delivered in full and the freight charge does not exceed USD 1,000 for the purchase order. The invoice must identify the freight charge separately.

7.3 Receiving Requirement

Payment approval remains subject to confirmation that the goods or services covered by the purchase order have been received. Partial receipts may be held or routed for review under the buyer's accounts-payable policy.

12.4 Supplier Payment Detail Changes

Changes to supplier remittance or bank details do not become effective for payment until the buyer completes its independent verification and approval process.
